

The Honorable Richard A. Jones

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,  
Plaintiff  
v.  
AMANDA CARGILE,  
Defendant.

| NO. CR15-206 RAJ

## **ORDER DISMISSING PRETRIAL RELEASE VIOLATION ALLEGATIONS**

On November 22, 2016, the Court advised the defendant Amanda Cargile of four specific allegations of violations of the conditions of her pretrial release. Ms. Cargile admitted the first allegation, alleging the use of a controlled substance without a prescription, and the fourth allegation, alleging a failure to attend a treatment session on November 17, 2016. Ms. Cargile denied the second and third allegations.

Government and defense counsel agree that the action taken by the Court concerning the admitted allegations is sufficient to address the overall issues concerning Ms. Cargile's compliance with program requirements in November, 2016. Accordingly, the government has requested that the Court dismiss the remaining allegations of the four that were alleged on November 22, 2016.
